Dana T.:

I've reviewed the Action Memo and associated documents and find that they look pretty good. Only have a few comments/suggested edits on them which are included in the following attachments as redline/strikeout and/or comments in the margin.

In these letters, I only have minor edits to offer (also included as redline/strikeout and/or comments in margin).

Do you know if these documents have also been forwarded to OECA/OSRE for them to review and/or offer comments/feedback ? I do not believe that they have been part of recent briefings/meetings with the Administrator's office, but understand that a DAA may participate in future meetings.

Lastly, tomorrow morning I will review the communications documents for any feedback/comments.
